# Welcome to Prevea360 Health Plan!

Prevea360 Health Plan is available to employees of the State of Wisconsin Group Health Insurance Program living in northeastern Wisconsin. It is underwritten by Dean Health Plan, so you know it's a plan Wisconsinites have come to know and trust. Our network offers expertise in nearly every specialty, with advanced specialties that are not found anywhere else in northeastern Wisconsin. Here are some additional reasons why so many choose Prevea360 Health Plan:

## Local Hospitals

What makes Prevea360 so special is its proprietary network of hospitals, physicians and ancillary providers that is based on Prevea Health's multi-specialty physician group and Hospital Sisters Health System (HSHS) partner hospitals. These hospitals include St. Vincent's and St. Mary's Hospitals in Green Bay, St. Nicholas Hospital in Sheboygan and St. Clare Memorial Hospital in Oconto Falls, St. Joseph's Hospital in Chippewa Falls and Sacred Heart Hospital in Eau Claire as well as other in-network hospitals in Manitowoc and Door County. This collaboration between health care experts, hospital partners and insurance provider as an integrated health system leads to a better, more affordable experience for our members and patients — one that is centered around you.

## Prevea Care After Hours

Answers to your health-related questions are available 24/7/365. If you're not sure where to go for care or you have a health concern, experienced registered nurses at Prevea Care After Hours are here to help. Call **888.277.3832**.\*

*\* Due to licensing regulations, Prevea Care After Hours triage services are only available to Wisconsin residents. For any life-threatening emergencies, always dial 911.*

## Complex Case Management

If you're diagnosed with a chronic health condition or have a complex health care need, we can help guide you to the most appropriate method of care and ensure your needs are met and all your questions and concerns are addressed. Visit [prevea360.com/caremanagement](https://prevea360.com/caremanagement) to learn more.

## Prevention Focused

It's easy to get well and stay well with Prevea360 Health Plan. We emphasize a proactive preventive approach to care — one in which a primary care physician (PCP) oversees all aspects of your health care needs and keeps you well through regular visits. These visits are a good time to receive needed immunizations or health and cancer screenings.

# Where to go for care

*Get the right care in the right place at the right cost*

## Primary Care

Whenever you need care (except emergencies), start by calling your primary care clinic for the soonest available appointment or for help figuring out where to go. Don't wait for your health conditions to get worse. Same day appointments are usually available at your primary care clinic. Common reasons to visit include:

The low-cost option.

Annual preventive exams and checkups

Flu and other recommended immunizations

Acute illness or injury (less severe issues like earaches, cold or flu symptoms, sore throat, etc.)

Managing chronic conditions

## Urgent Care

Call your clinic first when you think you need urgent care. If a same-day appointment is not available to treat your illness or injury, you may be directed to go to Urgent Care. Visit [prevea360.com/rightcare](https://prevea360.com/rightcare) for more information and locations. Common reasons to visit include:

Higher copays are possible with this option.

Minor burns, sprains or strains

Minor lacerations or rashes

Migraines

## Emergency Care

For a life-threatening illness or injury, go to the nearest emergency room or call 911. Make sure to tell your primary care physician (PCP) that you went to the emergency room. Your PCP might determine that you need follow-up services. Common reasons to visit include:

The high-cost option.

Heart attack symptoms (chest pain, shortness of breath, nausea/vomiting)

Stroke symptoms (slurred speech, sudden weakness and vision loss, and dizziness)

Head trauma or sudden confusion

Severe abdominal pain

## Your Primary Care Physician

We encourage you to select a primary care physician (or location) within the Prevea360 Health Plan network when you enroll. Doing so is important because it's part of our proactive, preventive approach to care – one in which a primary care physician oversees all aspects of your health care needs. This keeps you and your family well and decreases the duplication of services. Primary care physicians are found throughout our service area.

- Visit [prevea360.com/wi-employees](https://prevea360.com/wi-employees) to find a physician or specialist in our online directory. You can search by name, location or specialty. A physician's name will display "Accepting New Patients" when available.
- To download an electronic copy of the directory, select **Printable Provider Directory**.
- You may also call our Customer Care Center at **877.230.7555** to request a copy to be mailed to you.

## Out-of-Area Care

With Prevea360 Health Plan, there's no need to worry about health insurance while on vacation. Both urgent and emergency care are covered by Prevea360 if you or your covered family member are unable to return to the service area for immediate treatment. It's also a good idea to familiarize yourself with the types of ailments that can be treated as urgent care vs. emergency care (see left).

# Using Your Plan

## Prior Authorization

As you navigate your health care, it's important to note that there are certain medical services or provider visits that will require prior authorization by Prevea360 Health Plan. These authorizations are required so our Medical Affairs team can make sure you are getting the appropriate care. A good rule to remember is that any time you seek services with an out-of-network provider, you will need to obtain a prior authorization.

## Utilization Management

When you need to discuss issues or have questions related to the requirement of an authorization for a particular service, Prevea360 Health Plan is here to help. Contact the Customer Care Center at **877.230.7555** (TTY: 711) and you will be connected to the Utilization Management department. This department ensures you receive the appropriate and necessary care for your condition.

Utilization Management staff members are available Monday through Friday, 8:00 a.m. to 4:30 p.m. If you have an urgent need outside of those hours, please leave a message with the Customer Care Center and your call will be returned within one business day.

## New Medical Technology

Each year Prevea360 Health Plan evaluates new medical technology and reviews existing technology to determine if any changes or updates are needed to guidelines outlining appropriate use. During this process, we review requests for ongoing care or treatment recommendations for all Utilization Management decisions, including medical, behavioral health care, pharmaceuticals and medical devices.

Prevea360 Health Plan follows the review process set by the National Commission for Quality Assurance (NCQA). Based upon the results of the technology assessment, we will draft or revise medical policies if necessary.

## Limitations & Exclusions

For a list of services, treatments, equipment or supplies that are excluded (meaning no benefits are payable under the Plan Benefits); or have some limitations on the benefit provided, please refer to the State of Wisconsin Group Health Insurance Program's "Its Your Choice" materials, under Uniform Benefits, Exclusions and Limitations. Visit **etf.wi.gov** to find these materials online.

# Understanding Your Benefits

The State of Wisconsin Group Health Insurance Program is a network-based plan. That means your primary care physician (PCP) from our network oversees all aspects of your health care needs and emphasizes preventive care to keep you as healthy as possible. Please refer to the State of Wisconsin Group Health Insurance program's "It's Your Choice" materials and your "Summary of Benefits and Coverage" from Prevea360 for details.

## Claims and Payment

### FILING CLAIMS

Time is valuable to all of us; that's why Prevea360 Health Plan minimizes the amount of paperwork required for our members. In most cases, claims are submitted directly to Prevea360 Health Plan by providers or clinic staff. On occasion, if you're traveling out of the area or have a college-age dependent, for example, it may be necessary for you to submit a claim for reimbursement. When submitting the claim, please be sure to follow these guidelines:

1. Send an itemized bill from the provider of services. If services were received outside of the United States, you will need to submit the original bill along with an itemized bill that has been translated into English and indicate the appropriate currency exchange rate at the time the services were received.
2. Send the bill within 60 days of receiving the services to:  
**Prevea360 Health Plan**  
**Attn: Claims Department**  
**P.O. Box 56099**  
**Madison, WI 53705**

### EXPLANATION OF BENEFITS (EOB)

The EOB contains important information including the total amount charged, the amount paid by Prevea360 Health Plan, and the amount that is your (the member's) responsibility. You may access all of your EOBs online at any time through your online Member Profile (see page 5). Remember, an EOB is not a bill.

# Common Insurance Terms

**Allowed amount** – The maximum amount on which payment is based for a health plan’s covered health care services.

**Annual maximum out-of-pocket** – The maximum amount a member could pay out-of-pocket for covered health care services in a plan year before the plan would pay 100 percent of the cost of covered services. The maximum does not include premium payments.

**Benefit maximum** – A benefit maximum is a limit on a covered service. A service may be limited by duration or number of visits – and if not an Essential Health Benefit, by dollar limit. To review your benefit maximums please refer to your member certificate.

**Coinsurance** – Your share of the costs of a covered health care service, calculated as a percent of the allowed amount for the service. You pay coinsurance plus any deductibles you owe first. For example, if Prevea360 Health Plan’s allowed amount for an office visit is \$100 and you’ve met your deductible, your coinsurance payment of 20% would be \$20. Prevea360 pays the rest of the allowed amount.

**Copay** – A fixed amount that you pay for a covered health care service, usually when you get the service. The amount can vary by the type of covered health care service.

**Deductible** – The amount you owe for covered services before the plan begins to pay. For example, if your deductible is \$1,000, Prevea360 Health Plan won’t pay anything for covered services subject to the deductible until you’ve met your \$1,000. Not all services are subject to the deductible, such as preventive services.

**Essential Health Benefits (EHB)** – Essential Health Benefits consist of 10 health care benefit categories. Plans that cover EHB may not put an annual or lifetime dollar limit on the amount of EHB.

**Formulary** – A list of prescription drugs covered by an insurance plan offering prescription drug benefits. Also called a drug list. Normally a formulary will also tell you what tier (or cost-sharing level) a particular drug will be in.

**Guaranteed issue** – A requirement that health plans must allow you to enroll for coverage regardless of health status, age, gender or any other factors that might predict the future use of health services.

**Health Savings Account (HSA)** – A medical savings account available to taxpayers who are enrolled in a High Deductible Health Plan. The funds contributed to the account aren’t subject to federal income tax at the time of deposit. Funds must be used to pay for qualified medical expenses. Unlike a **Flexible Spending Account (FSA)**, funds roll over year to year if you don’t spend them.

**Individual mandate** – All individuals, with certain exceptions, are required to maintain minimum essential health coverage under the Affordable Care Act provisions.

**In-network providers** – Refers to physicians, hospitals or other health care providers who are contracted with Prevea360 Health Plan.

**Out-of-network providers** – Refers to physicians, hospitals or other health care providers who are not contracted with Prevea360 Health Plan, which could result in a greater cost for services for you.

**Pre-existing condition** – A health problem you had before the date that new health coverage starts. Under the Affordable Care Act, insurers may no longer impose benefit limitations or exclusions due to a pre-existing condition.

**Preventive care** – Routine health care that includes screenings, check-ups and patient counseling to prevent illnesses, disease or other health problems.

**Prior authorization** – Approval from a health plan that may be required before you receive services or fill a prescription in order for the service or prescription to be covered by your plan.

# Member Rights & Responsibilities

You deserve the best service and health care possible. Rights and responsibilities help foster cooperation among members, practitioners and Prevea360 Health Plan.

## Members have the right to:

- Be treated with respect and recognition of their dignity and right to privacy.
- Receive a listing of Prevea360 Health Plan participating practitioners in order to choose a Primary Care Physician.
- Present a question, complaint or grievance to Prevea360, about the organization or the care it provides, without fear of discrimination or repercussion.
- Receive information on procedures and policies regarding their health care benefits.
- Timely responses to requests regarding their health care plan.
- Request information regarding Advance Directives.
- Participate with practitioners in making decisions about their health care.
- A candid discussion of appropriate or medically necessary treatment options for their conditions, regardless of cost or benefit coverage.
- Receive information about the organization, its services, its practitioners and providers, and members’ rights and responsibilities.

## Members have the responsibility to:

- Read and understand the materials provided by Prevea360 Health Plan concerning their health care benefits. Prevea360 encourages members to contact Prevea360 if they have any questions.
- Present their ID card in order to identify themselves as Prevea360 members before receiving health care services.
- Notify Prevea360 Health Plan of any enrollment status changes such as family size or address. You must also communicate enrollment status changes to your employer so that your system of record can be update. Supply information (to the extent possible) that the organization and its practitioners and providers need in order to provide care.
- Follow plans and instructions for care that they have agreed on with their practitioners.
- Understand their health problems and participate in developing mutually agreed upon treatment goals to the degree possible.
- Fulfill financial obligations as they relate to any copays, deductibles and/or premiums as outlined in your policy.

# Privacy & Confidentiality

Prevea360 Health Plan is required by law to maintain the privacy of your personal health and financial information (collectively referred to as “nonpublic personal information”) and provide you with written notification of our legal duties and privacy practices concerning that information.

Please visit our website at [prevea360.com/privacy](http://prevea360.com/privacy) or call 877.230.7555 to request a copy. Please visit our website at [prevea360.com/privacy](http://prevea360.com/privacy) or call 877.230.7555 to request a copy.

# Complaints, Grievances and Appeals

We know that at times you may have questions and concerns about benefits, claims or services you have received from Prevea360 Health Plan. Sharing your concerns will help us to identify areas of improvement or clarification needed in our processes or documents as well as help clear up areas of confusion with your benefits or coverage. When a question or concern arises, we encourage you to reach out to our Customer Care Center at **877.230.7555**. Our Customer Care Specialists will make every effort to resolve your concern promptly and completely. Your input matters, and we encourage you to call with any concerns you may have regarding your health care.

If after contacting us, you continue to feel a decision has adversely affected your coverage, benefits or relationship with Prevea360 Health Plan, you may file a grievance (sometimes called an appeal). For details on how to file or for more information about these procedures, please visit **[prevea360.com](http://prevea360.com)** or contact the Customer Care Center at **877.230.7555** with any questions about the process.

Following the internal appeals process, you also have the right to request an administrative review through the State of Wisconsin Group Health Insurance Program. If your appeal involves an adverse medical necessity determination, you have the right to an Independent External Review following the internal appeals process. Please refer to your “It’s Your Choice” materials for details on the appeals process.
